About Software Valley

Software Valley is a non-profit organization comprised of members from academia, small business, industry, and government from across the nation with the purpose of promoting the growth of high-technology businesses nationwide.

About Software Valley Information System

Software Valley Information System (SVIS) is the electronic information service provided by Software Valley with the prime purpose of providing low-cost electronic communications for its members. In addition to providing E-Mail, SVIS has a large collection of shareware files for downloading by members and carries several thousand Internet Usenet conference areas. SVIS also offers expanded Internet services of FTP, Gopher, Telnet, and other Internet services.

Membership Structure

Contributing Associate Membership

The Contributing Associate Membership is for an individual who wishes to support The Software Valley movement. The contributing associate will be entitled to the Benefits of Membership as listed below as well as the basic services offered by SVIS of E-Mail, downloading of files, and Usenet messages.

Annual Dues \$35.00

Organization Membership

Organization Membership is for firms which provide professional and commercial services to high technology industries. All members of the organization will be entitled to the Benefits of Membership as listed below. One individual within the organization will be entitled to the expanded Internet services provided by SVIS while other members of the organization (up to the maximum for the size organization) will have access to the basic services provided by SVIS.

Number of Employees	SVIS Members	Annual Dues
0 - 24	4	\$100.00
25 - 49	10	250.00
50 - 99	20	500.00
100 - 199	30	750.00
200 - 299	40	1,000.00
300 - 499	60	1,500.00
500 +	100	2,500.00
Academics or Not-for-Profit	4	100.00

Sponsor Dues

Sponsors are organizations which support the Software Valley movement by large donations. All employees of the Sponsoring Company are allowed basic as well as extended Internet services on the SVIS system.

Call (304) 291-3426 for Sponsor Information

Software Valley encourages members to contribute in-kind services and participate in Software Valley activities. To foster recognition of individual contributions, contributing associate fees, in-kind services, and other Software Valley activities can be credited toward organization dues.
