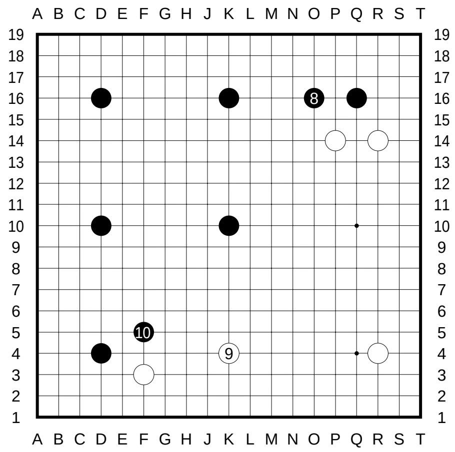
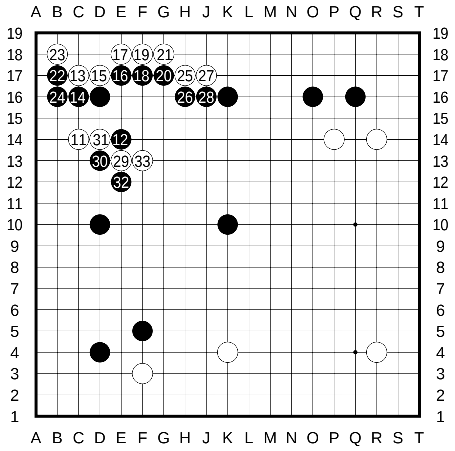
White 1 – **White** 7

zhuge(NR) wow lzy loves K10. :)



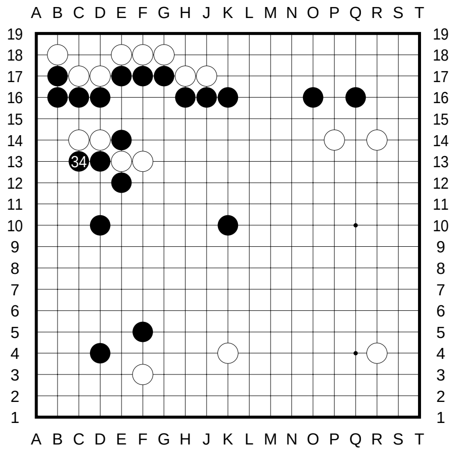
Black 8 – **Black** 10

stone4est(28k) and w loves p14



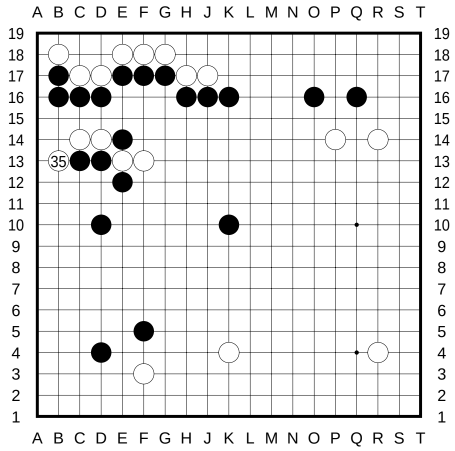
White 11 – **White** 33

jie(NR) on
mikew(5k) Is this the same Nagahara that wrote "Strategic Concepts of Go"?
tako(NR) f15



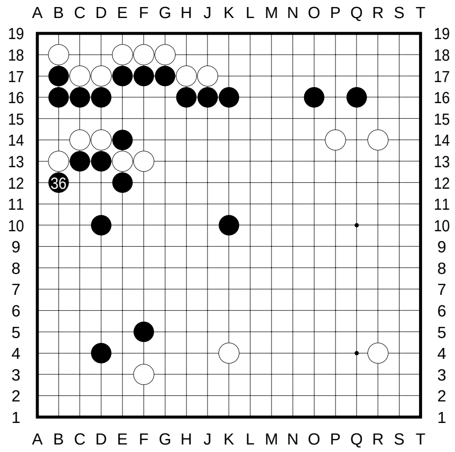
Black 34

tweet(NR) correct
phd(NR) what is nagahara in chinese letters?



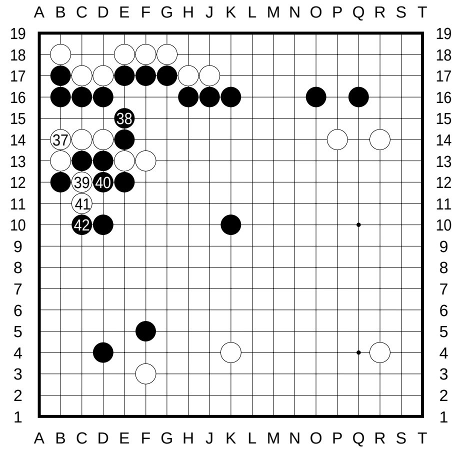
White 35

tako(NR) f10 better
w cant catch d13



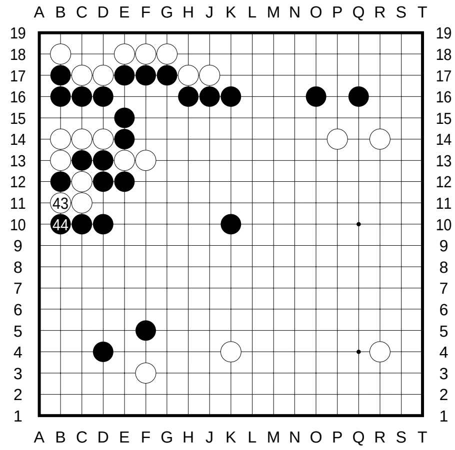
Black 36

tako(NR) b make stong stone to be stronger



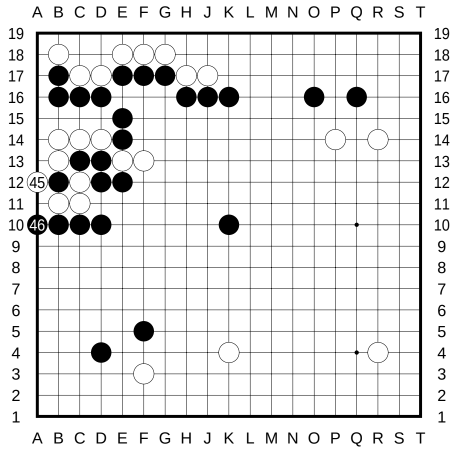
White 37 – **Black** 42

tako(NR) bad



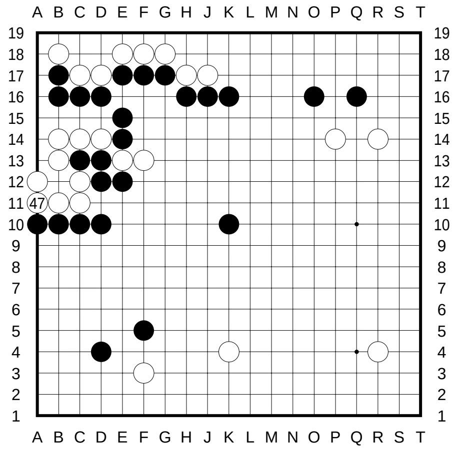
White 43 – **Black** 44

tako(NR) y not b11?
stone4est(28k) bad to b?



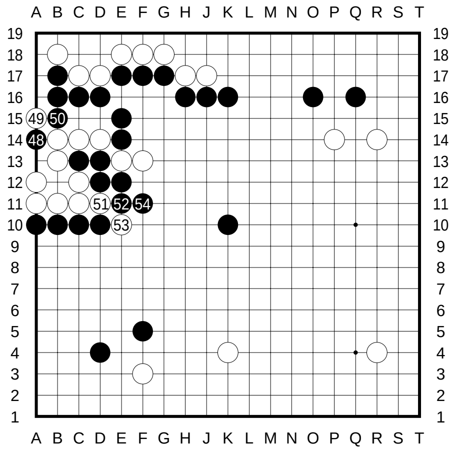
White 45 – **Black** 46

zhuge(NR) which move was bad?



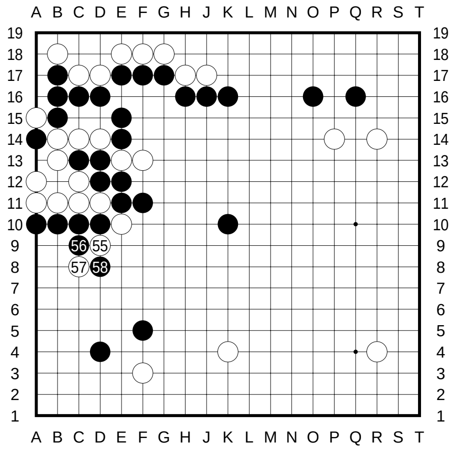
White 47

zhuge(NR) c10?



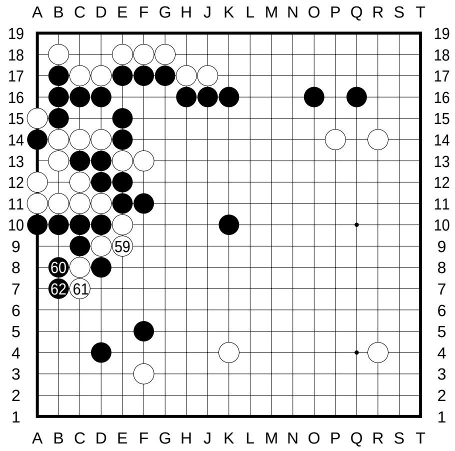
Black 48 – **Black** 54

zhuge(NR) gee.. my borad doesn't show D16 stone. :)
now it shows.



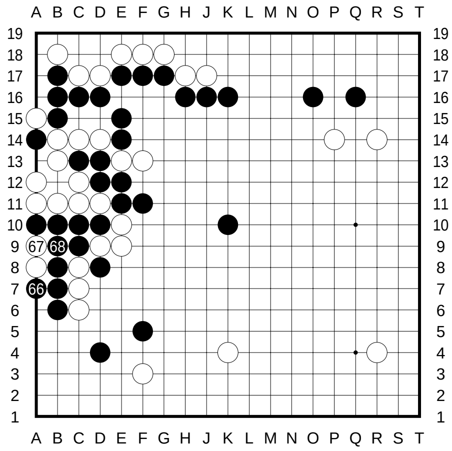
White 55 – **Black** 58

zhuge(NR) i thought this would be a fencing game.



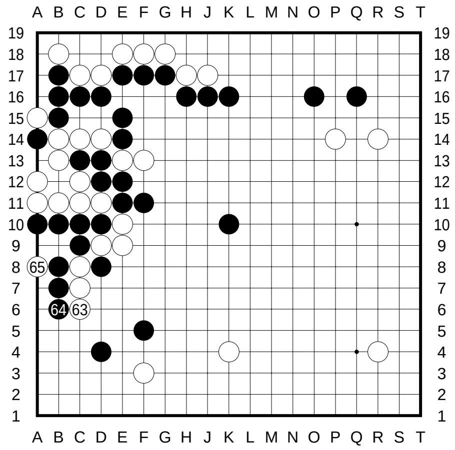
White 59 – **Black** 62

jrm(16k) all fencing in b territory ;–)



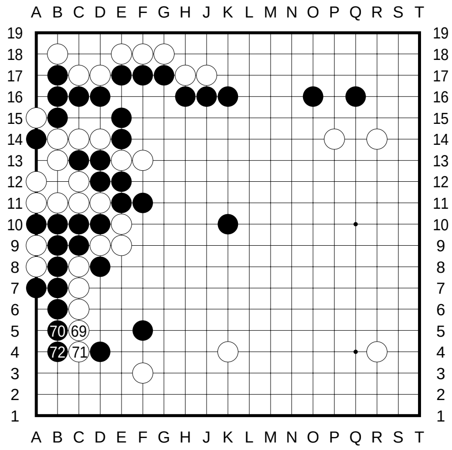
Black 66 – **Black** 68

zhuge(NR) hmm... i can't imagine that. :)



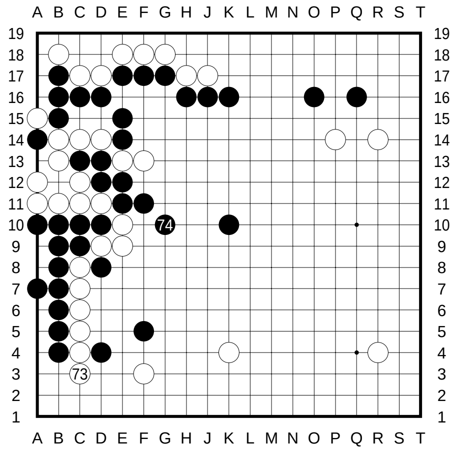
White 63 – **White** 65

zhuge(NR) or we are talking about the fencing game in the Olympics. :)



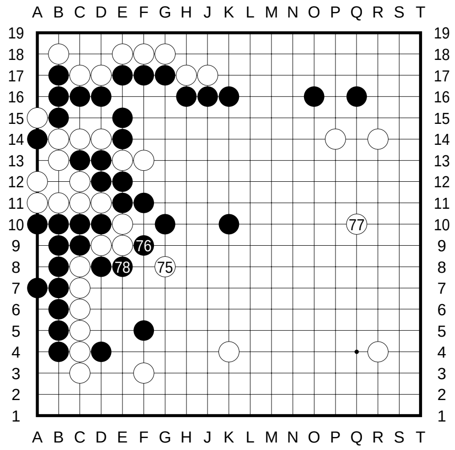
White 69 – **Black** 72

temp(NR) b pay too much for this fight



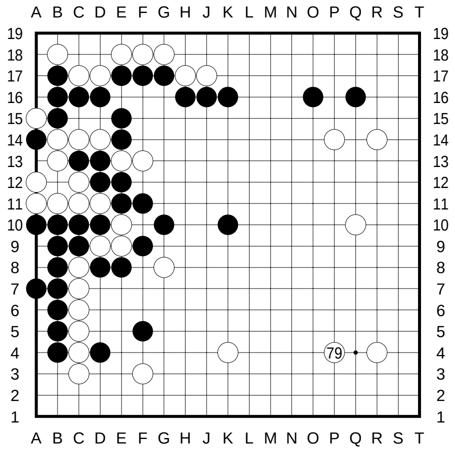
White 73 – **Black** 74

tako(NR) w is weak, too



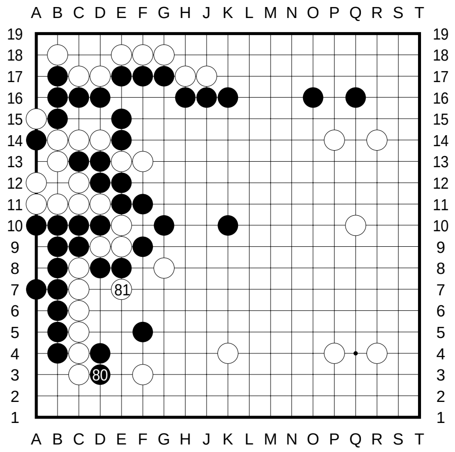
White 75 – **Black** 78

jie(NR) whhhat? i don't understand



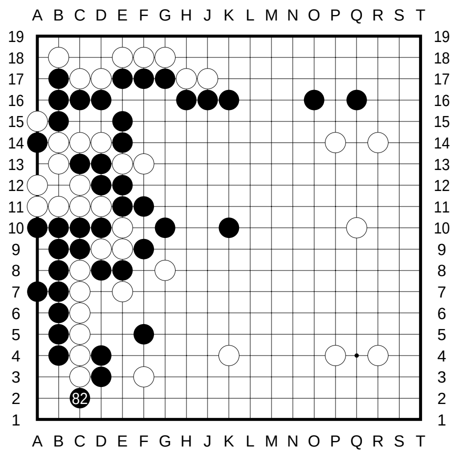
White 79

zhuge(NR) me neither.
lixj(NR) how many stones are left for black?;–)



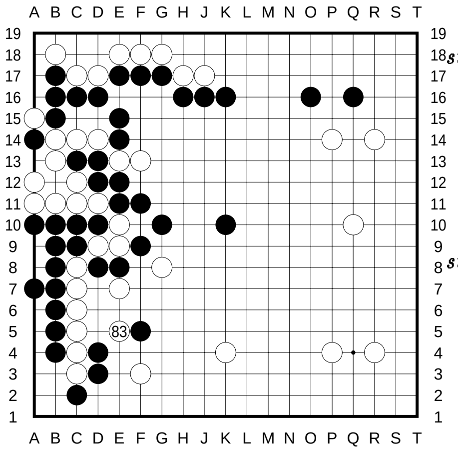
Black 80 – **White** 81

hermit(NR) wow
stone4est(28k) .6
tako(NR) give this to w?
zhuge(NR) one and half (half of origin) i guess.
hermit(NR) what a game



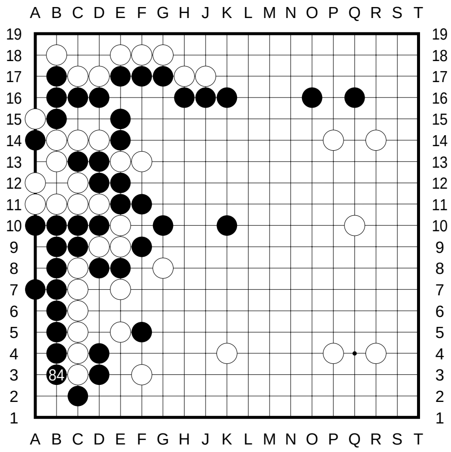
Black 82

jie(NR) they should also play 5min games..too slow
zhuge(NR) what's W thinking?
m6(IGS92) c is very strong
w did not imagine this
ishi(3k) what does "c" mean?
m6(IGS92) w looks like imagined every move untill now :–)
zhuge(NR) c2, m6 meant.
m6(IGS92) thanks
ishi(3k) thank zhuge, just coming in.
stone4est(28k) so d3 and c2 are strong moves
zhuge(NR) welcome.
m6(IGS92) many typo in my kibitz, too, not only in games
zhuge(NR) no wonder you made up this short name you
xzhao(4d) What's happening?
zhuge(NR) re using. :)
m6(IGS92) ur name is too long, zhuge
stone4est(28k) too long?
zhuge(NR) Nagahara 6p is playing vs. lzy (3 stones)
too long? used to be ZhugeLiang. :)
jie(NR) your rank is too long! m6 :–)
stone4est(28k) what , zhuge?
m6(IGS92) c2 is pretty strong, i cant imagine the result here
ishi(3k) could anyone tell me what time is it in eastern usa when the GMT time is 8:00am.
m6(IGS92) sorry for a long rank
tweet(NR) his 'IGS92' is not a rank.
IGS92 is a title.
zhuge(NR) that would be 2:00 am, ishi.
m6(IGS92) for a long title
stlin(1d) too crowded
jrm(16k) no, either 4am or 5am
tweet(NR) not so long.
m6(IGS92) is
zhuge(NR) type "uptime" ishi to figure it out.
ding(1k) try uptime
wer(NR) well, lzy get psychological advantage here !
alright(NR) it should be 1:00pm
stone4est(28k) so what is the time at CDT when the Meijin games come?
wer(NR) at least :–)
m6(IGS92) no one need type it, so ok
zhuge(NR) it would be 1:00 a.m. stone4est.
m6(IGS92) is w on connection?
stone4est(28k) oh, thanks
zhuge(NR) i hope he is. thinking hard.
m6(IGS92) w may think he should move d2 first
stone4est(28k) not easy to give 3?
alright(NR) no way to give 3, i think
m6(IGS92) u mean 4?
phd(NR) i guess 6d got a network problem.
stone4est(28k) how about 2?
alright(NR) possible



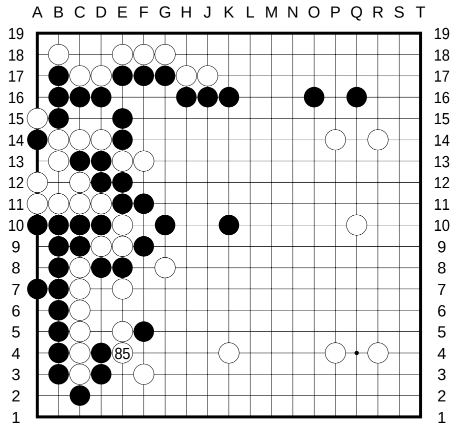
White 83

ding(1k) does he know time
hermit(NR) maybe nagahara 6p underestimated lzy.. :–)
m6(IGS92) b3
nagahara(6p) lzy We lost connection for ten minutes...
zhuge(NR) wow W spent 10 min on that move.
lixj(NR) come on, let those 6ds play 3h with Yang Hui, no hope.
m6(IGS92) hermit is rite
stone4est(28k) what?
why Yang Hui?
m6(IGS92) b3 is too too big, w felt shock about it
hermit(NR) who is yang hui?
alright(NR) where is Yang Hui? She is in the serever?
temp(NR) who is yang hui the pretty girl from shanghai?
m6(IGS92) is she the wife of zao 9p?
lixj(NR) the Shanghai 8p girl.
lzy(6d) ic
alright(NR) rite m6
stone4est(28k) u mean Cao?
zhuge(NR) i think there are at least 10,000 Chinese women named Yang Hui. :)
lzy(6d) you want addtime 10?
m6(IGS92) yes, in main land spell
hermit(NR) is she really pretty? :–)
stone4est(28k) poor white
temp(NR) cao–big–round
nagahara(6p) lzy Please 9 minutes, thanks
zhuge(NR) Cao Da Yuan, that is.
alright(NR) what a translation!
m6(IGS92) poor w, he should have a good terminal
stone4est(28k) CAo large cirle?
tiger(4k) definitely her looking is above average.
phd(NR) but where us yang hui?
alright(NR) good cable, actually
zhuge(NR) that's jansteen's problem. :)
nagahara(6p) jansteen: sorry about this
m6(IGS92) is w playing?
he is enjoying talking
zhuge(NR) he is having net problem.
temp(NR) he is going to run out of time
m6(IGS92) too bad
stone4est(28k) its b's turn now
alright(NR) is m6 from taiwan?
m6(IGS92) no problem, we have tweet
tweet(NR) i'm not from taiwan
stone4est(28k) why from taiwan?



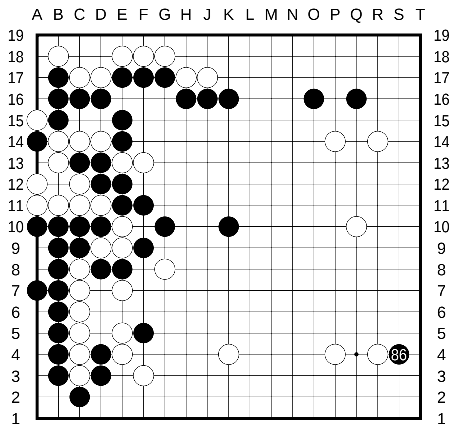
Black 84

zhuge(NR) no m6 is from mainland.
m6(IGS92) no, he is from a small island



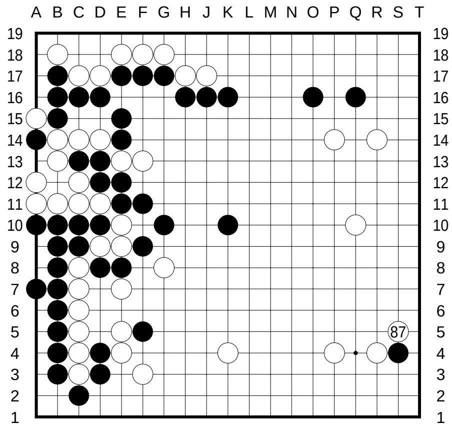
White 85

lixj(NR) Yang Hui is in China. Once she visited NY club, those 6ds (stronger) didn't believe 3h, but no one can finish to the end game.
stone4est(28k) stronger than what?



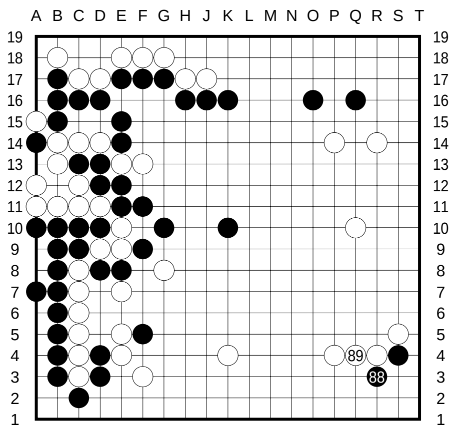
Black 86

zhuge(NR) stronger than me.
temp(NR) but Yang is a good fighter like lzy
hermit(NR) stronger than 6d's here.



White 87

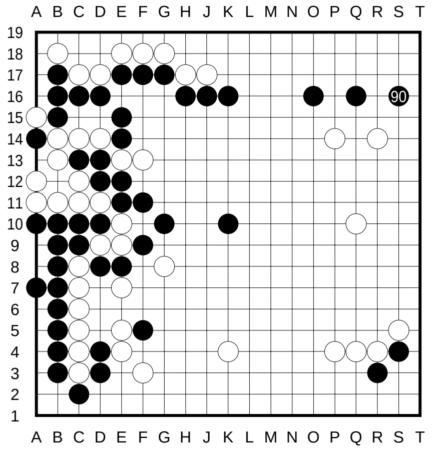
stone4est(28k) is s4 good?
tiger(4k) depends on whom she plays with.
m6(IGS92) is she in mainland?
nagahara(6p) lzy Thanks for the extra time
tiger(4k) yes, in shanghai.



Black 88 – **White** 89

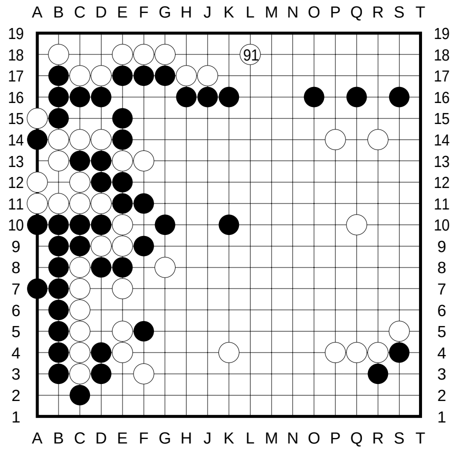
AshaiRey(8k) Nagahara should know everything about moves like this from his book :–)
m6(IGS92) r5
zhuge(NR) so lzy added 10 min for 6p. nice.
stone4est(28k) why its nice, zhuge?

m6(IGS92) is w logging in from japan?
zhuge(NR) i mean it's a nice day outside.
hermit(NR) i don't think w has a chance. agree?
zhuge(NR) no W is in the Netherlands.
stone4est(28k) yeah, 70 C, sunshine
alright(NR) did you look at the sky? it is raining, zhuge.
zhuge(NR) which part of the sky?
temp(NR) come on, give the coordinate first
m6(IGS92) r5 is too simple



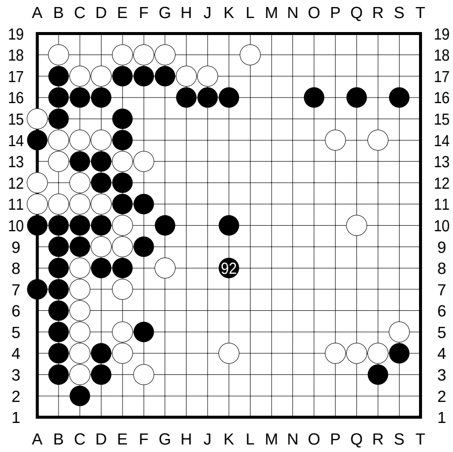
Black 90

alright(NR) above your head, zhuge
jie(NR) Help is available, just use the command 'help'.
zhuge(NR) i can't see the sky above my head... it's the ceiling. :)
m6(IGS92) can administraters make kibitzes to be real voice?
zhuge(NR) then you have to have good machinces. :)
hermit(NR) of course he can. voice mail.
ding(1k) real zhuge can see :)
jie(NR) real voice?
alright(NR) good idea, m6
lzy(6d) you are welcome



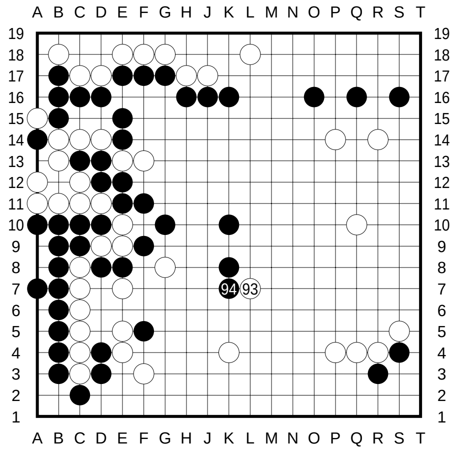
White 91

temp(NR) give me your tele number I will make it
alright(NR) you'd better to try, m6
zhuge(NR) L18?



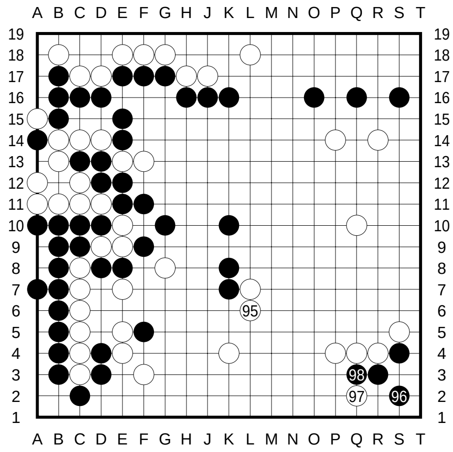
Black 92

stone4est(28k) you mean sound?



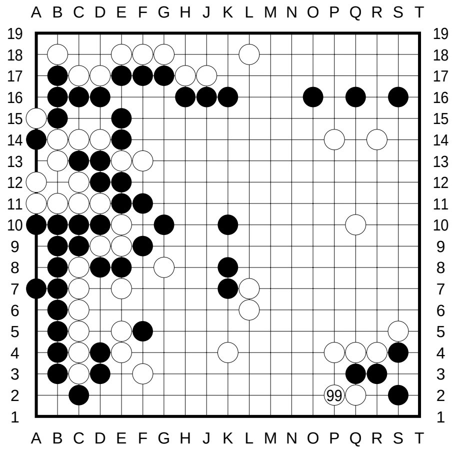
White 93 – **Black** 94

lixj(NR) it shouldn't be too dangerous to play K6



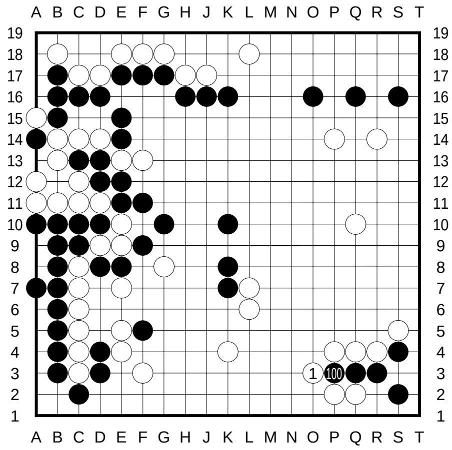
White 95 – **Black** 98

dong(6d) how much time each has at begining?



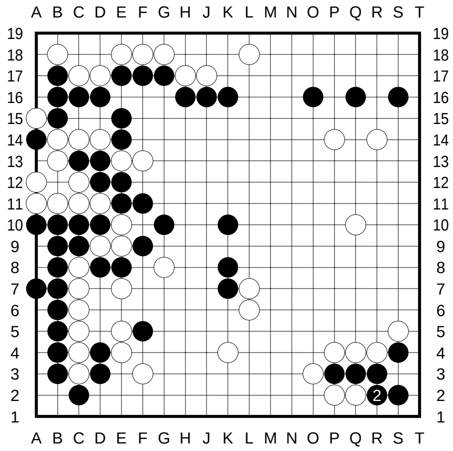
White 99

zhuge(NR) i wish panx were here; right now.



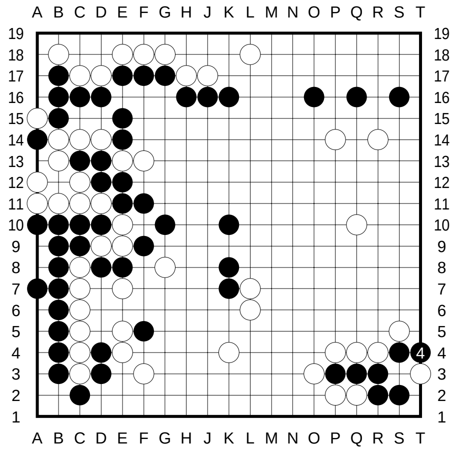
Black 100 – **White** 101

fmc(7k) don't start with panx zhuge :)
alright(NR) why, zhuge?
zhuge(NR) i think 30 min apiece. or 25?
stone4est(28k) who is better now?
ABEL(3d) s2 is at the right time



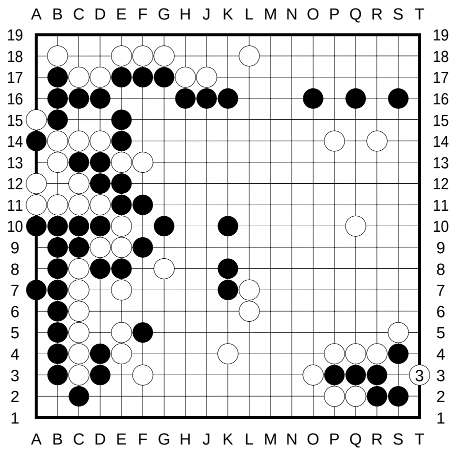
Black 102

zhuge(NR) if panx were here, it would b more noisy. :)



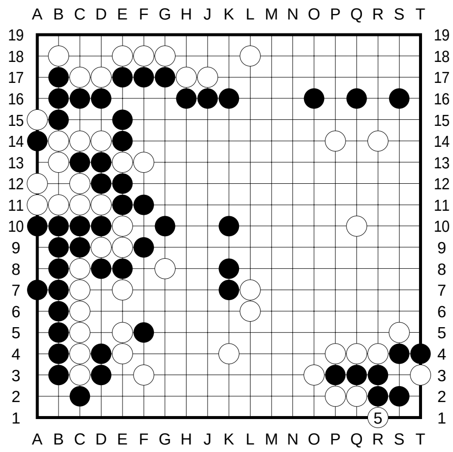
Black 104

tweet(NR) zhuge is enough :–)
stone4est(28k) UFO is not here?



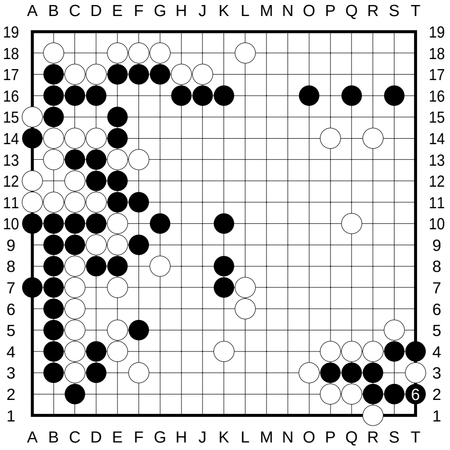
White 103

m6(IGS92) s2 bad, y not q2?



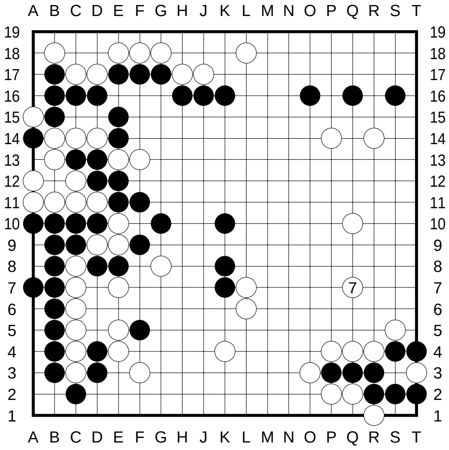
White 105

zhuge(NR) s2 is expecting a ko?
nagahara(6p) undo
alright(NR) maybe ufo is here. u just don't know
nagahara(6p) :)#
dong(6d) B win
m6(IGS92) u mean here is for resign?



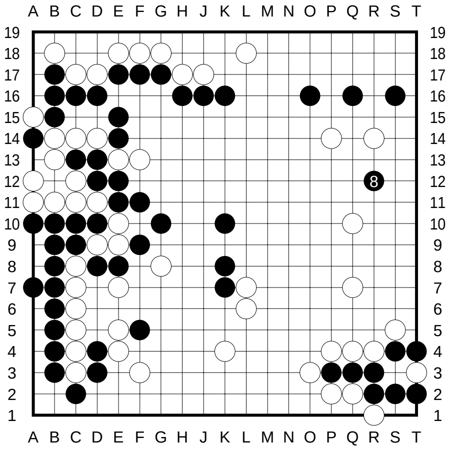
Black 106

alright(NR) agree, dong
m6(IGS92) o4?
r6?
stone4est(28k) too early to say win
m6(IGS92) w cant kill corner
martti(15k) on
dong(6d) r5 is better
socket(NR) who is white?
stone4est(28k) r6 is typo
socket(NR) i just came,
m6(IGS92) does s1 work?
alright(NR) tell me, m6
m6(IGS92) its pretty difficult
fmc(7k) there are 63 people watching the game !
alright(NR) will be more
stone4est(28k) wow, so many spaces now
hermit(NR) gee, nobody is watching other games.
tiger(4k) it is not true.
m6(IGS92) so this is the biggest go club over the world



White 107

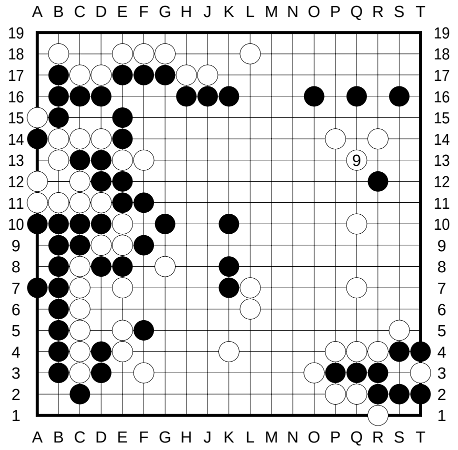
dong(6d) s1 does not work
ding(1k) s1 kill?
m6(IGS92) yose from now
wolfgang(12k) why ?
zhuge(NR) gee i had a connection problem.
m6(IGS92) q7 tells us s1 doesnt work
alright(NR) why not b play at r5 instead of t2?
stone4est(28k) b missed it, i guess



Black 108

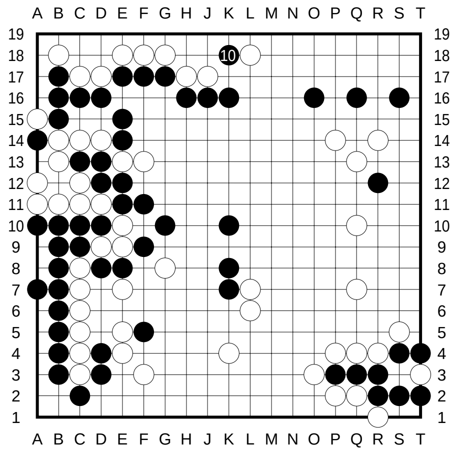
m6(IGS92) q13?
zhuge(NR) missed what?

stone4est(28k) missed r5/
m6(IGS92) b has to take sente
Wang(2d) why not s2 before?



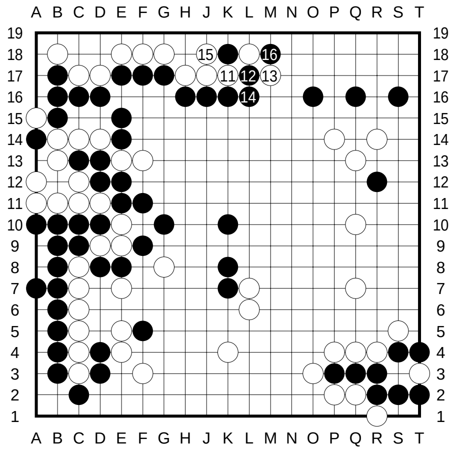
White 109

ishi(3k) does anyone know why i lose connection almost every 2 minutes?
m6(IGS92) so do i
stone4est(28k) B



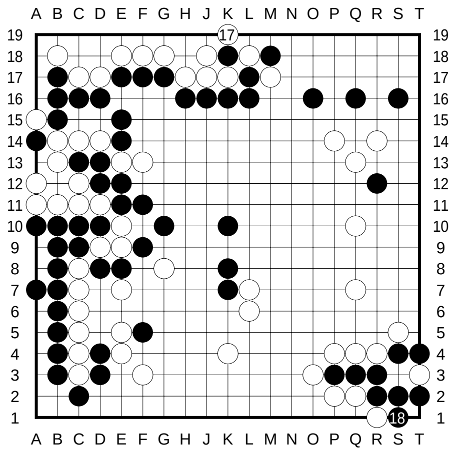
Black 110

socket(NR) gateway busy
zhuge(NR) you two forgot to bring your watches and IGS does the timing for you. :)
dong(6d) stone4, b must t2, r5 did not work before t2
m6(IGS92) God does not want us to see, ishi.
socket(NR) you could do nothing on it



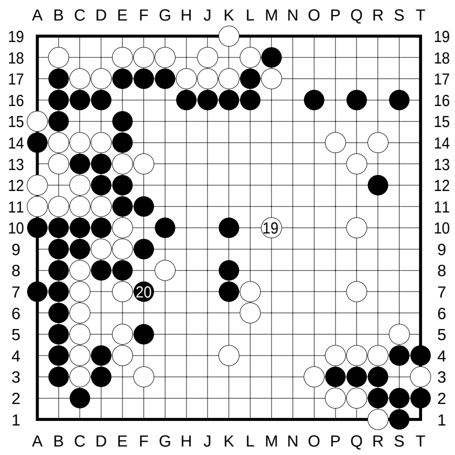
White 111 – **Black** 116

m6(IGS92) s1 big



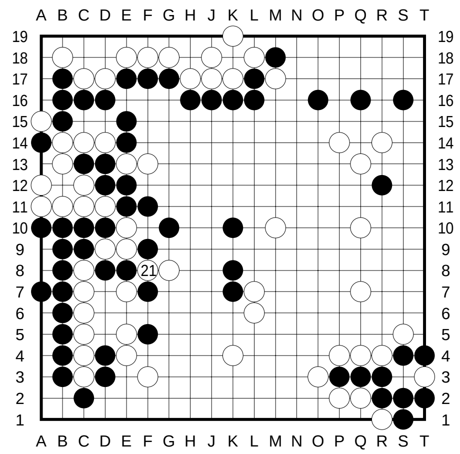
White 117 – **Black** 118

m6(IGS92) n17



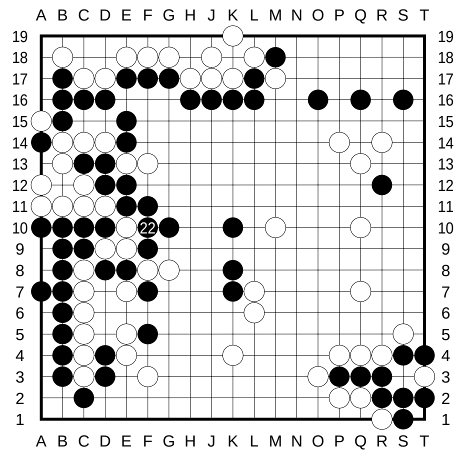
White 119 – **Black** 120

m6(IGS92)	ic, q13 didnt kill r12
	f6? f8?
stone4est(28k)	why didnt?
zhuge(NR)	how about now –– r12?
m6(IGS92)	m10 is to help q13
	m10 itself is smaller than n17
zhu(2k)	what time is it now in Holland ?
bz(4k)	we have 99 player!
zhuge(NR)	near midnight, i guess.
m6(IGS92)	w wants sente, then n17
zhuge(NR)	and how many watching this game?
stone4est(28k)	old qustion, what is w's name in Chinese?
dong(6d)	r12 is still energetic
temp(NR)	nagahara is going to be the second pro's who lost here
stone4est(28k)	who was 1st, temp?
hermit(NR)	the first real pro lost here. :–)
m6(IGS92)	khuang is pro, too
temp(NR)	you mean the first who lost to dfs is not real pro??
dagge(1d)	Its 11:20 pm
dong(6d)	proponent? or professional?
m6(IGS92)	professional
hermit(NR)	professor or professional?
stone4est(28k)	khuang is a pro??
zhuge(NR)	i think naga = chang2 (long)
temp(NR)	"understand (dong3) or "nmake fun?
zhuge(NR)	and hara = yuan2 (plain ground)



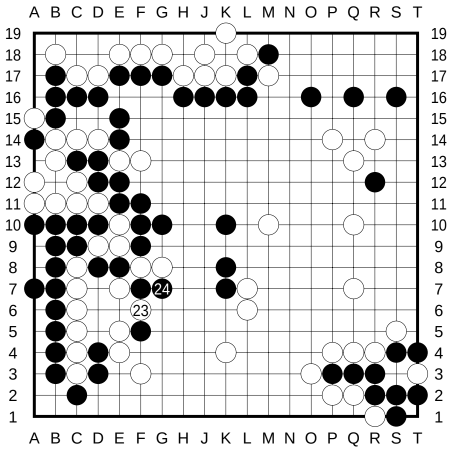
White 121

socket(NR)	zhuge is a japanese?



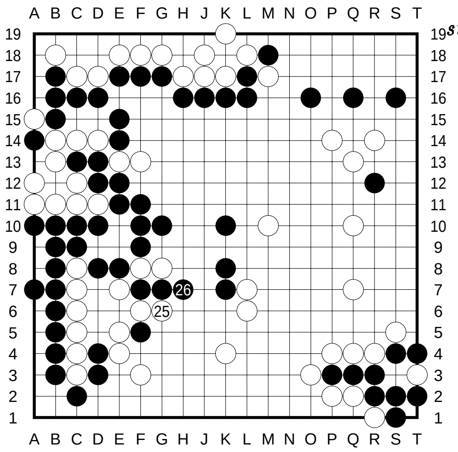
Black 122

dong(6d)	you mean zhang1 lang2, ahuge? :–)



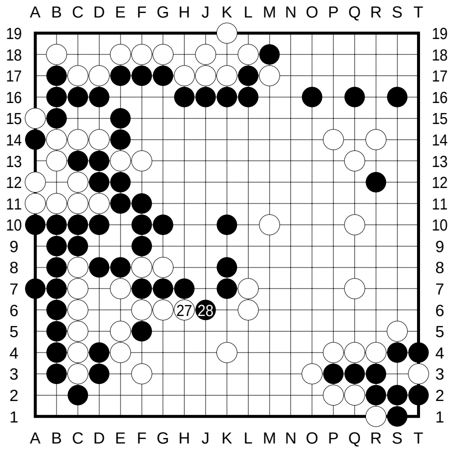
White 123 – **Black** 124

zhuge(NR) no, chang2 yuan2. :)
stone4est(28k) thanks, zhuge, but never heard of him



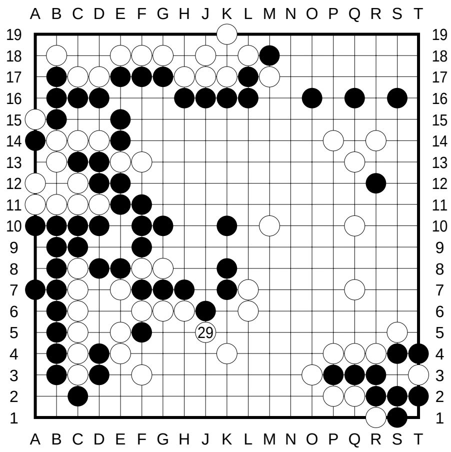
White 125 – **Black** 126

socket(NR) who is nagahara, zhuge?
zhuge(NR) hey, the way i spell pinyin, you think i am a Japanese? :)
i don't know him.
alright(NR) or half?
stone4est(28k) half what?
or 1/4?



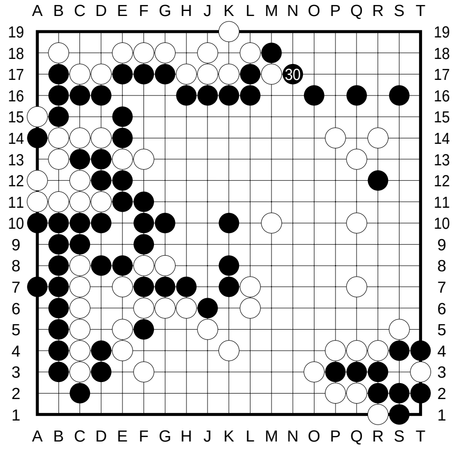
White 127 – **Black** 128

zhuge(NR) but i have to ask him or someone knows him about the two Chinese charactor he really uses.
Wang(2d) how things r going now? m6?
stone4est(28k) players here are 3 digitals
m6(IGS92) what do u mean?



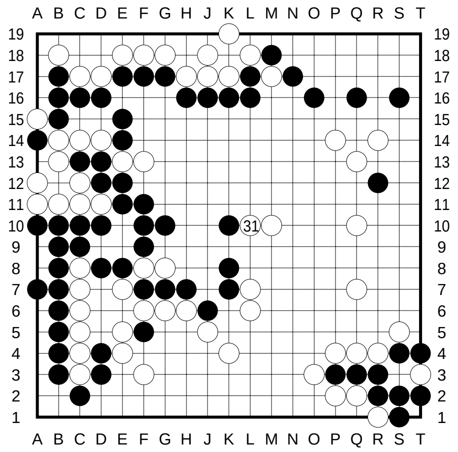
White 129

m6(IGS92) i just come
alright(NR) comment



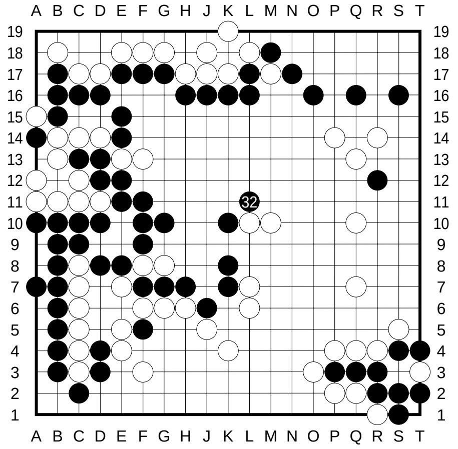
Black 130

alright(NR) m6 lied
zhuge(NR) he what?
m6(IGS92) m12
alright(NR) he is here for a long time
Wang(2d) which side do u prefer, if u play now?
temp(NR) winning side
zhuge(NR) i prefer the other side; always. :)
m6(IGS92) i leaved 3 min
dong(6d) B certainly



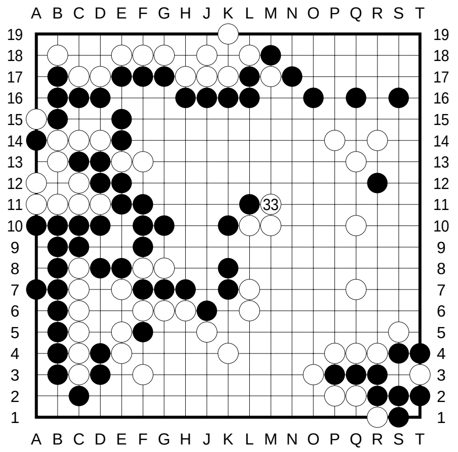
White 131

stone4est(28k) does r17 work?
m6(IGS92) q
temp(NR) dong did you play tracy for revenge?



Black 132

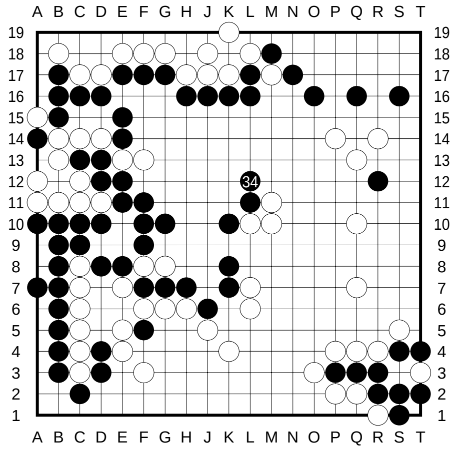
m6(IGS92) w thinks this is enough



White 133

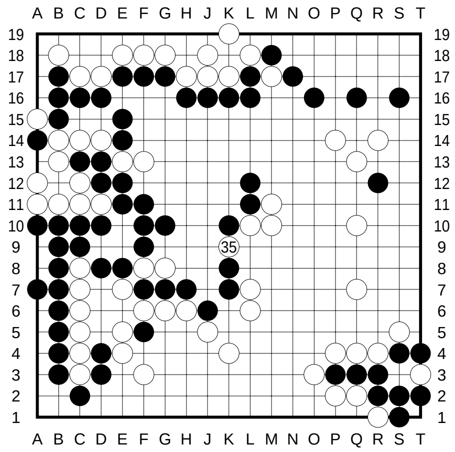
m6(IGS92) typo?
zhuge(NR) is it enough?
nagahara(6p) lzy Could you add 3 min because of net delay?
dong(6d) B want to win peacefylly
stone4est(28k) u mean w wins, m6?>
tweet(NR) nagahara tells me the network

oconnection from holland is
terrible now.



Black 134

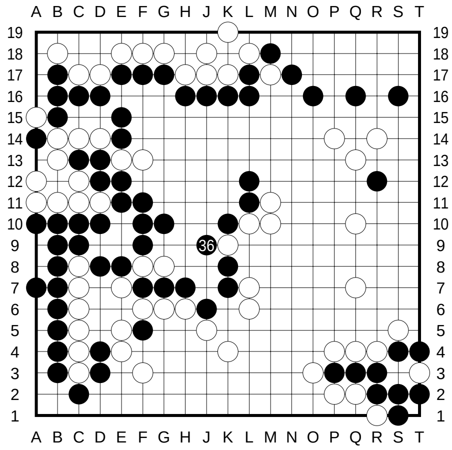
nagahara(6p) lzy Thanks again
socket(NR) who is nagahara, tweet?
m6(IGS92) i dont know, but if w thinks its not enough, he will try some stronger move



White 135

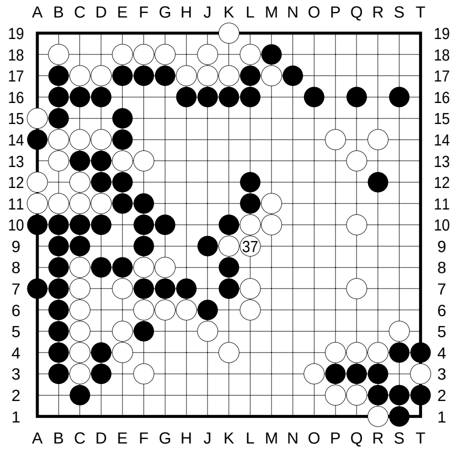
lzy(6d) you are welcome
dong(6d) why? too many players?
zhu(2k) then someone should give him some extra time.

tweet(NR) he 6p from japan.
socket(NR) is he in the delegation with kobiyashi and otake?
m6(IGS92) lost with a small difference is much more miserable than with a big difference
otake and ohtake or ootake r different japanese name, y otake?
hermit(NR) too bad. if lzy wins, he will not know who he just beated. :–)
m6(IGS92) otake is shiaozhu in chinese



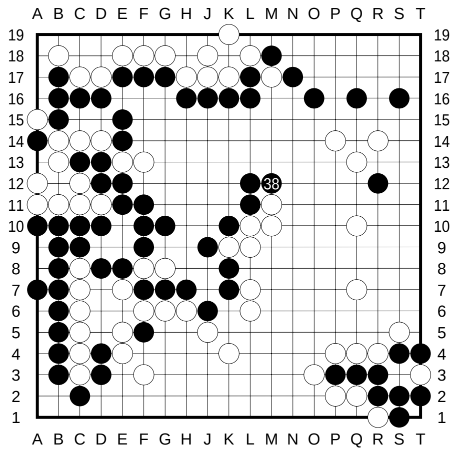
Black 136

zhuge(NR) no, Da Zu. :)



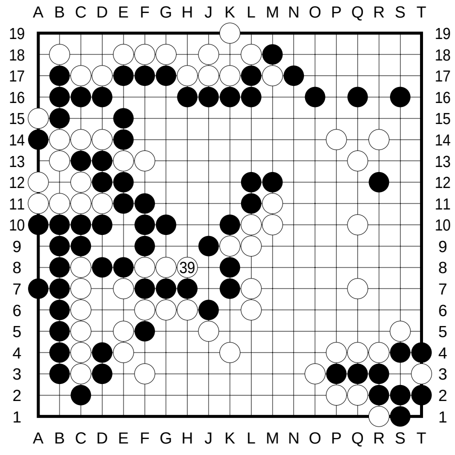
White 137

socket(NR) what?
m6(IGS92) ootake is da zhu
alright(NR) you mean 'big pig'



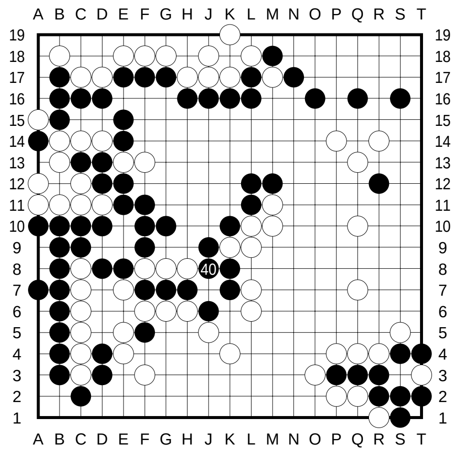
Black 138

dong(6d) m6 should know the chinese character of nagahara
zhuge(NR) no big bamboo.
temp(NR) or big−left
ufo(NR) good translation, alright :)
m6(IGS92) o means smaill, oo means big all right
temp(NR) ooo mean infinity



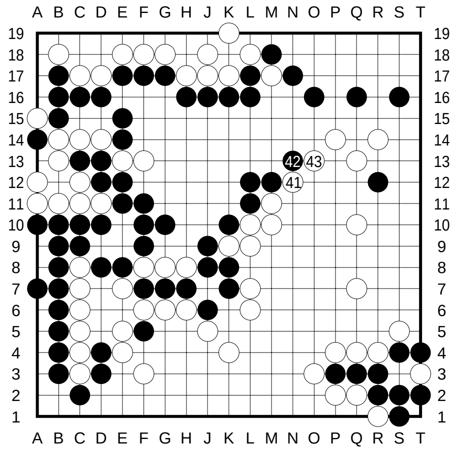
White 139

fmc(7k) and J10 after
alright(NR) b miscalculated?



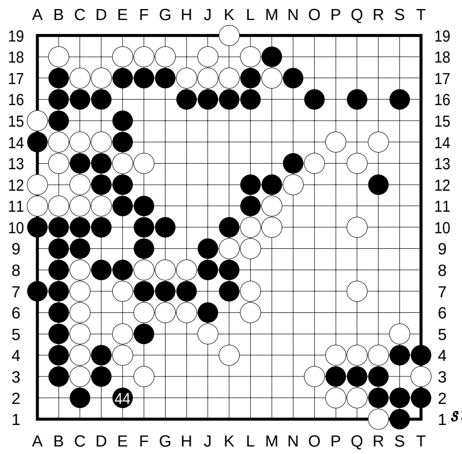
Black 140

zhuge(NR) hmm. fmc, prompote yourself once more, please. :)
dong(6d) no,
fmc(7k) :)
alright(NR) why, dong?
stone4est(28k) what's on, i just left for a moment



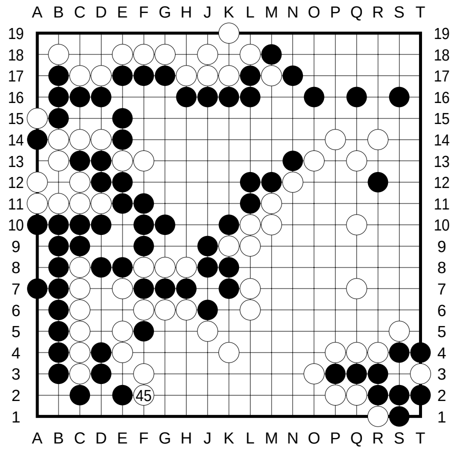
White 141 – **White** 143

zhuge(NR) nothing was on while you were away. :)
stone4est(28k) good
ABEL(3d) I don't understand.
dong(6d) the game become less interesting



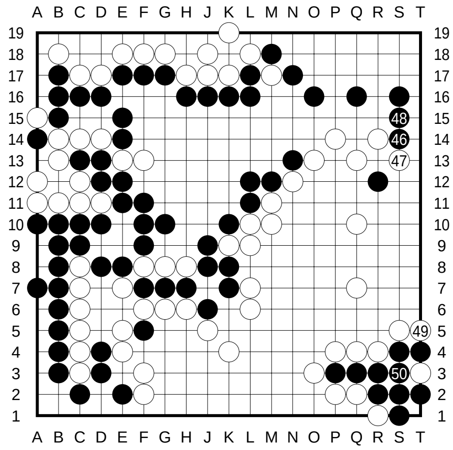
Black 144

stlin(1d) w could win
m6(IGS92) big



White 145

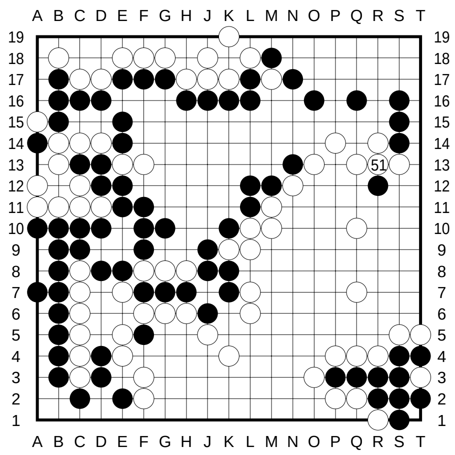
stone4est(28k) pros never lose here



Black 146 – **Black** 150

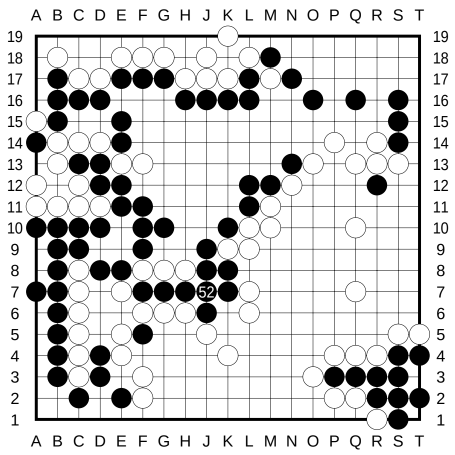
stone4est(28k) the other is Xiao Lin?
m6(IGS92) b is 6–7 pts ahead now
dong(6d) B still ahead
m6(IGS92) sorry, wrong
didnt see j7
stlin(1d) w can win
m6(IGS92) may be 3 pts ahead
m19
stone4est(28k) w can get that 3 within 15 moves
m6(IGS92) not easy

the satuation is not very complex
fmc(7k) now 77 watchers :)
ww(3k) who's leading now?
stone4est(28k) yeah, that is the problem
jeffwang(4d) who is better?
m6(IGS92) s12?
b is much better
stone4est(28k) w is better, but b is still leading
dont know who is winning



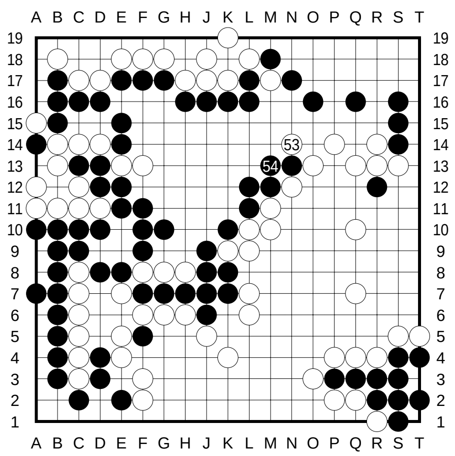
White 151

alright(NR) stange stone4est!
stone4est(28k) that is simple, why strange?
stlin(1d) w doesnt have to risk



Black 152

m6(IGS92) w may lost
nagahara(6p) Byo—yomi now



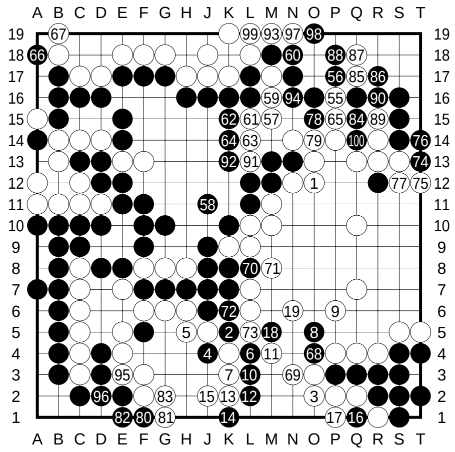
White 153 – **Black** 154

m6(IGS92) does n18 work?
alright(NR) m15?
stlin(1d) small points
stone4est(28k) a18?
stlin(1d) the problem now is w may loss
m6(IGS92) m18
stone4est(28k) anyone may lose, that is not a problem
lixj(NR) b seems to have quite a

comfortable lead.

stone4est(28k) where is m18?

stlin(1d) but w is behind, that imatters



White 155 – **Black** 226
