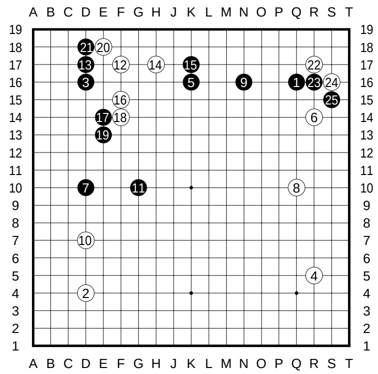
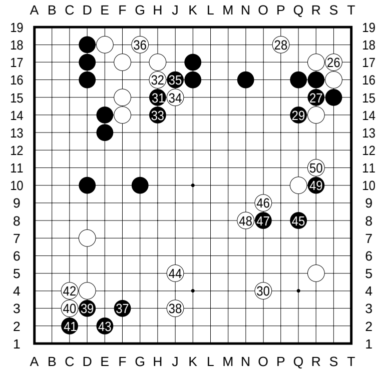
## 5. The game with lyu, 7d

**Black:** lyu, 7d
**White:** shutai, 6d
**Date:** 1993–03–08
**Place:** IGS: 128.32.201.46 6969
**Result:** W+Time



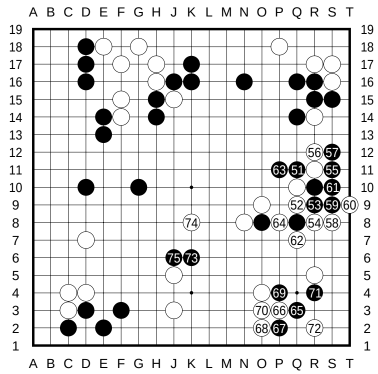
Black 1 – Black 25

**Black: 3**
*zhuge(NR)* another 7d* to face shutai.
**Black: 11**
*zhuge(NR)* sweat is still mad at what he did. what did he do? :–)
**White: 14**
*xray(???)* he was too rash. (right sweat)
**White: 16**
*zhuge(NR)* many straight lines.
**White: 20**
*xray(???)* opening good for b I think.



White 26 – White 50

**Black: 29**
*zhuge(NR)* zhong should tell us more about shutai.
**Black: 33**
*xray(???)* does zhong know him from China?
*zhuge(NR)* they are old buddies.
*zhong(NR)* you guys should tell me more about yourself first. :)
**White: 36**
*zhuge(NR)* but shutai's story is more interesting at this moment, right?
*xray(???)* people more interested in finding out about strong players
**Black: 41**
*xray(???)* b has thrown away any advantage
*dbs(NR)* what you mean?
**White: 44**
*xray(???)* b was doing well before he played s15.
*Playboy(NR)* good fuseki for white
very wide
*xray(???)* b must invade at lr NOW
**Black: 47**
*Playboy(NR)* q8 not good
**Black: 49**
*xray(???)* usual point would be q3?



Black 51 – Black 75

**White: 54**
*Playboy(NR)* b's moyo is gone with wind
*zhong(NR)* very nicely phrased, Playboy.
*xray(???)* b couldn't make territory in center anyway
*Playboy(NR)* then where?
*xray(???)* top left and right. but now w makes too much in lower right
*ding(NR)* p11
*zodiac(2d)* p11? no ding
*ding(NR)* why not
*arnold(5d)* good move is better than good phrases here
*zodiac(2d)* s8 is better
*ding(NR)* p11 s11
s8 bit risky
*zodiac(2d)* s8 is the only move
**White: 56**
*yueqi(5d)* seems B can not get into LR corner, so s8 is acceptabl.
*Dong(6d)* r6?
*zhuge(NR)* shutai is fast.
*zodiac(2d)* P11 now!!!!!!!!
*xray(???)* b can still play r3
*zodiac(2d)* r12 overplay!!
p11 is good now, ding[1k\]
*Dong(6d)* p11 is equavelent to resign :–)
*zodiac(2d)* r u sure, dong?
*arnold(5d)* yes
*wen(1d)* q12
*zodiac(2d)* then s12
*Dong(6d)* I am sure and lyu sure too :–)
*zodiac(2d)* i may prefer s8
*sweat(NR)* why dong?
why so bad?
*Playboy(NR)* do not know shy lyu put q8
*Dong(6d)* I know lyu:–)
*ding(NR)* p11 sente though
*zodiac(2d)* aha, sweat is 7d?
*Playboy(NR)* shy=why
*sweat(NR)* but why is that a resigning move?
*Playboy(NR)* of course q3 and aim last moment
*zhuge(NR)* Dong just wants to stir things up?
*Playboy(NR)* q8 was a just sucide
*wen(1d)* is shutai the guy of european chaml?
**Black: 57**
*zhuge(NR)* yes, wen.
*zodiac(2d)* b should s8 first
*Dong(6d)* i think it is resigning move, though hard to find other move
*sweat(NR)* .....
**White: 58**
*zodiac(2d)* wow, b should s8
*xray(???)* b getting pushed around here
*zodiac(2d)* who wants a quick game?
**Black: 61**
*Playboy(NR)* q7 too easy?
*arnold(5d)* s9 is the only move
*Dong(6d)* get into a game lyu dislike
*min(8k)* my aunt is injured on her waist
*jinp(2d)* only dislike
*qqq(30k)* p11why not?
**White: 62**
*wen(1d)* does anyone knows who is lyu
*Playboy(NR)* game over
*colombo(5d)* just came. who is shutai
*Dong(6d)* when u dislike a game, you tend to lose it, generally
*jinp(2d)* i c
*min(8k)* what happen to lyu? Is that because shutai is too strong?>
*rjs(17k)* colombo: someone said he is european champion..
*zodiac(2d)* lyu will beat shutai, i think
**Black: 63**
*colombo(5d)* thanks, rjs
**White: 64**
*arnold(5d)* well if u r losing, you dont like it more generally
**Black: 65**
*Dong(6d)* must european champion stronger than american champion?
**Black: 69**
*wen(1d)* who is americam champ?!
**Black: 71**
*colombo(5d)* which country is he from?
**White: 72**
*min(8k)* how could zhuge sure shutai is E–chaml?
*Dong(6d)* jy23 is one of them
*rjs(17k)* lounela said so too, min..
*Playboy(NR)* w is too thick , dead i think
*bh(1d)* i doubt this shoutai can beat jy
*min(8k)* i was told jy23 is from china
*xray(???)* i think shutai and jy23 have played many times
*yueqi(5d)* on this sever, only jy23 and shutai were chinese ama 6d, i think.

*qqq(30k)* yes chinese amateur 6d=5p
*wen(1d)* stone told me jy23 is Yang Jing
*zhuge(NR)* stone is right, min.
*wen(1d)* no
*zhuge(NR)* sorry, wen.

*qqq(30k)* are u sure?wen?
*Dong(6d)* ama 6d>>6p
*jinp(2d)* is p means pro
*wen(1d)* who is kidding
*yueqi(5d)* no, some strong 6d is at 5p level. but those two were not strong 6d, i think.
*rjs(17k)* what is ama?
*jinp(2d)* what is p
*qqq(30k)* more precise,chinese amateur 6dis equivalent to 5p
*wen(1d)* I have seen the ama team <–> chinese national junior go team
*zhuge(NR)* really?
*min(8k)* profression dan == p
*wen(1d)* yes
*Dong(6d)* many 4p or 5p attended ama match, they never got champion :–)
*wen(1d)* they are 2p – 3p
*qqq(30k)* dong is right
*min(8k)* i was told 7d on igs == 2p
*xray(???)* In europe shutai no tquite so strong as Guo Juan 4p
*wen(1d)* because they play much less than before
*yueqi(5d)* the difference between ama 5d and 6d is sort of like difference between 6d and 7d here.
*qqq(30k)* there r many 6ds who r strong than 5p
*wen(1d)* what are they?
*qqq(30k)* not on this server
*zhuge(NR)* there seems many 6ds?
*wen(1d)* there are strong 6d and wek 6d
there are also strong 5p and weak 5p
*jinp(2d)* are they still playing?
*wen(1d)* average ama 6d < average 5p
*zhuge(NR)* yes. b is thinking hard.
*rjs(17k)* what does ama stand for?
*xray(???)* b must play soon
*arnold(5d)* generally there are big differences among 6ds
*chaos(7k)* ama= amateur
*zhuge(NR)* b has 8 min left.
*min(8k)* a chinese Drug, to cure injury on waist
*yucao(1k)* is this t game?
